Chapter 7. List of Agencies, Organizations, and People Receiving Copies of the Draft Environmental Impact Statement

This section lists the agencies, officials, and other interested parties who are receiving the draft EIS on the proposed expansion of the Strategic Petroleum Reserve.

On February 14, 2006, DOE mailed a postcard to 607 people and organizations on the project mailing list asking for a response from anyone who wanted to receive a copy of the draft EIS when it became available. The postcard indicated that paper copies of the draft EIS would be available in libraries and an electronic copy would be available on the project's website. DOE asked participants to return the postage-paid postcard after indicating one of the following choices:

- Do not mail me any materials;
- Mail me a CD-ROM of the complete draft EIS;
- Mail me a paper copy of the Summary of the draft EIS;
- Mail me a paper copy of the complete draft EIS; and
- Remove me from your mailing list.

When this document was issued, DOE filed copies of the draft EIS with EPA, who published a Notice of Availability of the draft EIS in the *Federal Register*. DOE also distributed paper copies of the draft EIS to federal agencies, key state agencies, elected officials, local libraries, and any other requesting parties. Additional summaries of the draft EIS were sent to the remaining interested parties. All recipients of the paper copies and the summaries also received a CD-ROM of the draft EIS unless they requested otherwise. The following sections list state and federal agencies, tribal entities, elected officials and other interested parties who received the draft EIS or summary. DOE will provide copies to other interested organizations or individuals on request.
